

# 24/7 CUSTOMS BROKERAGE

## 24/7 Customs clearance, 365 days a year for all customs procedures

Our team of 50 experts with 26 years of hands-on experience in the logistics and customs operations branch is here to provide the following services:

- All types of Customs representation. As holders of the Authorisation for simplified procedures we can provide customs clearance 24/7, 365 days a year in the field of Customs brokerage (Import, Export, T1, T2, T2L).
- Branch offices RCM, d.o.o. BO Gruškovje/Macelj, BO Obrežje/Bregana, BO Novo mesto, BO Koper/Luka Koper port.
- International and home transport (we provide full and overall support in the organisation of your rail, road, sea and air transport).
- Storage (in co-operation with Luka Koper Port, we provide storage in outdoor and indoor premises within the economic zone for your import, export and transit goods).
- Administrative services (customs and tax brokerage, inspection checks, consultations on the classification of goods according to the Combined Nomenclature, submission of RP-O and VAT-O forms in the EU's INTRASTAT system).

### Why RCM d.o.o.?

The company RCM d.o.o. is the honoured holder of the new version of the Standard ISO 9001:2015, Quality management system.

The AEO Authorised economic operator Certificate under the European Union's AEOC Programme as part of the global initiative to provide security in the entire supply chain.

Based on our current financial and business results, the Crediting Agency Bisnode has listed us as holders of Golden crediting excellence AAA, crediting rate held only by 2,648 companies registered in Slovenia.

We are holders of the Slovenian Financial Administration's (FARS) Authorisation for simplified procedures in the implementation of customs formalities in customs procedures, which means that customs procedures are implemented more quickly.

Member of the International Federation of Freight Forwarders Associations FIATA.

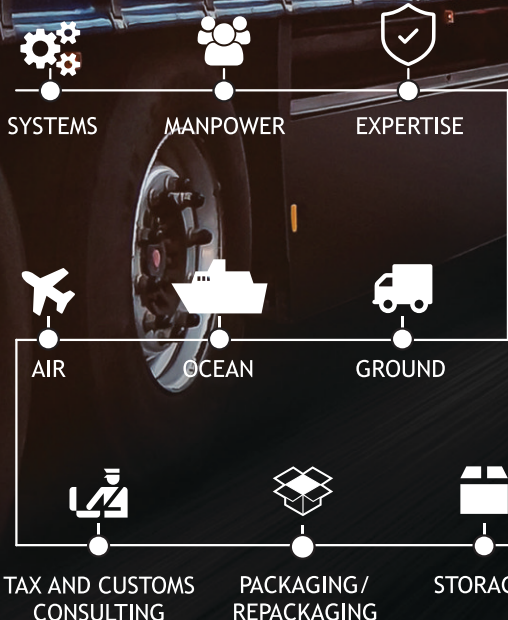

Holders of the Excellent SME certificate are achieving exceptional results in comparison to other business entities in Slovenia, and have revenues per employee that are 9% above the average of the companies of the same size, whilst creating 100% higher profits per employee and having 1/6 higher added value per employee.

**A Freight Forwarder is a Business Partner that savey money and time.**

## Freight Forwarding to Cut Logistics Costs

### HOW A FREIGHTS FORWARDER CAN SAVE YOUR MONEY AND TIME?

Freights Forwarders have access to a network of services providers allowing you to leverage their shipping expertise to benefit the logistics requirements of your business.

Expert knowledge of Freight Forwarders in the domain of tax and customs legislation enables the selection of the optimal customs procedure. This can dramatically improve your cash flow and delivery time.
