Creamy natural butter exclusively made up of rare, regenerative, virgin oils (sweet almond, jojoba, etc.), enriched with shea butter and imbued with **pure Dead Sea crystal salts.**

A treasure trove of trace elements, mineral salts, vitamins and essential fatty acids **for a deeply purifying body scrub.**

Softer, purified, fresh, radiant skin. **A rejuvenating boost with the floral fragrance of the Levantine Mediterranean.**

Apply to healthy skin once a week. **Take a walnut-sized amount with the fingertips and gently massage in, moving in circles from the neck and feet to the chest.** Focus on the heels, knees and elbows. Rinse well after one to two minutes.
