authentic Aleppo stain-remover, 100% natural

- Unique : the only soap from Aleppo with genuine Terre de Sommières.
- Hypoallergenic and biodegradable.
- Removes all stubborn stains : food, grease, blood, etc., from linens, fabrics, carpets...

Authentic pure olive and laurel Aleppo soap enriched in France with 5% genuine Terre de Sommières fine clay powder from the village of Sommières, in the southern French department of Gard.

Powerful plant and mineral stain remover, 100% natural, completely additive-free.

Entirely biodegradable and hypoallergenic, safe for the environment and for your health.

This economical soap, with its simple, clean scent, removes all stubborn stains (food, grease, blood, ink etc.), from linens, fabrics, carpets... Moisten the fabric with cool or warm water and carefully rub soap into the stain. Leave for a good fifteen minutes and for up to several hours if the stain is particularly resistant. Rinse with clean water or machine wash. Repeat the process if necessary.
